DDFC REMINDS MEMBERS THAT "THE SPIRIT OF JUNIOR FOOTBALL IN WA"

Every participant understands that Junior Football in WA is delivered with the Spirit of the Game in mind. It is incumbent on every participant irrespective of their place in the game, to ensure that they will,

- ***Not focus on winning at all cost*** and understand that the role of Junior Football is to foster the development of Junior Players,

- Maximise the enjoyment and development of junior footballers.
- Provide our children with a game environment that is safe, fun and fair.
- Ensure that the values which add to the spirit of our game, which include fairness, equality, respect and teamwork are encouraged and celebrated.
- Uphold, promote and protect the Rules, Laws, Codes, Policies and Spirit of the game.
- Not accept poor behaviours around our game and deter practices that undermine our games environments (Coaching, Playing, Volunteering, Spectating and Umpiring).
- Adhere to any directive issued by the games controlling bodies in the best interests of achieving the above
